LISTING SERVICE

LISTING No: 2160-1072:100

Page 1 of 1

CATEGORY: Building Units

LISTEE: Dryvit Systems, PO Box 1014, W. Warwick, RI 02893
Contact: *William Preston (401) 822-4100 Fax (401) 823-8820

DESIGN: Dryvit exterior wall and insulation system. Refer to listee's data sheet for detailed product description, assembly components and operational considerations.

INSTALLATION: In strict accordance with listee's long form specifications and installation instructions. Dryvit assembly shall be applied to wall designs having an interior wall faced thermal barrier of not less than a 15-minute (E-119) finish rating. Also suitable for use as surface applied wall finish and insulation on fire-rated and non-rated exterior wall assemblies.

MARKING: Listee's name and product designation, CSFM label with Listing Number, flame spread and smoke development rating and molders name and lot number on the face of the insulation board. Polyethylene shipping wrap shall also bear board edge face label.

APPROVAL: Listed for use as an exterior wall finish and insulation system separated from the building by a 15-minute finish rated material for non-rated exterior wall systems. Also listed for use as a surface applied wall finish and insulation system on masonry and concrete fire-rated bearing and non-bearing exterior wall designs up to 4 hours. Also listed as a surface applied exterior wall finish and insulation system for combustible and noncombustible, 1-hour and 2-hour fire-rated non-bearing exterior fire-rated walls. May also be surface applied exterior wall finish to non-rated exterior walls, load-bearing or non-bearing, of combustible or noncombustible, non-rated buildings. All components of this assembly shall meet product specifications as shown in listee's data sheet/specifications. Authority having jurisdiction should be consulted prior to installation.

*Rev. 06-21-2000

This listing is based upon technical data submitted by the applicant. CSFM Fire Engineering staff has reviewed the test results and/or other data but does not make an independent verification of any claims. This listing is not an endorsement or recommendation of the item listed. This listing should not be used to verify correct operational requirements or installation criteria. Refer to listee's data sheet, installation instructions and/or other suitable information sources.

Date Issued: **JUNE 21, 2003**
